The details...

Tell us something about the choir.

The SJF Boys' Choir was formed a year ago as an after-school choir for boys in Years 4 - 8 with the aim of emulating the success of Diocesan choirs in Bradford, Huddersfield and Leeds – giving concerts, singing at services, recording for CD and radio, taking part in competitions and touring.

What kinds of music do you sing?

Anything possible! Our music ranges from plainsong to pop, Bach to Beatles and beyond. A varied diet is definitely the best!

What can I get out of joining the choir?

Great musical skills – vocal technique, reading music, how to sing in parts, how to express yourself musically... Amazing opportunities like recording cds, broadcasting on national radio, singing to hundreds of people in concerts...

Best of all you'll make new friends and find that singing and making music is brilliant fun...

Who directs the choir?

Tom Leech, one of the Choral Directors working for the Diocese of Leeds' acclaimed choral programme. He's in demand as an engaging and dynamic choral conductor and works for the Diocese in several primary schools. He's recorded a number of cds, played on BBC1, Radio 2, Radio 3 and Classic FM, and given recitals in venues including Westminster Abbey and St. Paul's Cathedral.

How do I join?

There's a brief audition – not to catch you out but to assess your potential! Bring a song to sing if you can, but don't worry if not. Our conductor will listen to you sing back notes and teach you a short song – nothing to worry about!

Our next auditions are on Saturday 16th July at St. John Fisher school, for boys in Y4-8 this September. To book an audition or to ask any questions email tomleech@dioceseofleedsmusic.org.uk, or phone the cathedral music office on 0113 244 86343.

I want to join but I can't come on that Saturday.

No problem – get in touch and we can fix up an audition.
