Choral Services resume on Wednesday 6 January 2027

The **Diocese of Leeds Schools Singing Programme** is recognised as the UK's leading choral education programme, striving to make outstanding singing tuition, music education and performance opportunities accessible to children and young people in communities which are least likely to encounter them. The programme reaches over 6,800 children each week, both during and outside the school day in over 150 choral groups, including boys' and girls' choirs in Bradford, Harrogate, Huddersfield, Keighley, Pontefract, Ripon and Wakefield, together with the seven choirs of Leeds Cathedral.

The **Leeds Cathedral Choirs** draw their membership from the weekly Schools Singing Programme sessions within inner-city state schools. Acknowledged as among the finest in the country, the choirs sing at eight services in the Cathedral each week, and their recordings of choral works by Maurice Duruflé and Arvo Pärt for Brilliant Classics are critically-acclaimed. The Cathedral Choirs broadcast regularly on BBC radio and television, including *Choral Vespers* on Radio 3 in March 2025.

The **Keyboard Studies Programme** was launched in May 2016 to provide high-quality organ and piano tuition across the Diocese to children and adults alike. With a national decline in students learning the organ, the Programme reintroduces this instrument steeped in tradition to students of all backgrounds, teaching them valuable musical skills and opening doors to opportunities in further education and choral direction. Through lessons on the organ, piano, classical accordion and whole-class melodica sessions, the programme now engages over 1,500 children each week.

The Diocese of Leeds Music Department would like to thank the trusts, foundations and individual supporters whose generosity brings these life-changing opportunities to so many. If you would like to help transform the lives of children and young people through music, please contact **office@dioceseofleedsmusic.org.uk** or visit **dolmusic.uk/donate** to make a donation now.
